# WELCOME

## College Royal Welcomes You to Our Virtual 2021 Open House!

Welcome everyone to the 97th Annual College Royal Open House Weekend and the first ever virtual event! The College Royal Team and I hope you have as much fun this weekend as we did planning it! While things may look a little different this year, and although this format did present its challenges, we wanted to keep the College Royal tradition alive for everyone. We want to thank our frontline workers and all other job sectors who have continued to work throughout the pandemic.

Flip through this booklet and be sure to click on events that you wish to see! Check out the Clubs on Campus page to check out what these clubs have prepared! Please do not hesitate to join the Live Chat with the College Royal Team that is open throughout the weekend for any questions or comments! While we may not be able to be in person this year, we look forward to seeing your faces. Thank you for joining us and we hope you enjoy what we've come up with! Have a great Open House Weekend!

**Abby Peca**  
**College Royal 2021 President**

It is my pleasure to welcome you all to the first virtual version of College Royal, in its 97th year. Although it may look a little different, we are doing our best to make sure it is as fun and exciting as past years! I can't wait to watch all the video entries for the showing competitions and I am excited to be entering my own pup into the dog show as well! Being the ambassador for the 2nd year in a row is such an honour and although I won't be able to meet any of you in person, I hope we are able to connect virtually throughout the two days.

**Keirsten Sanderson**  
**College Royal 2021 Ambassador**

4. Once bubbles form on surface, flip once with a spatula and transfer to a plate
