Welcome to the University of Guelph and to our 94th annual College Royal. As the largest student-run open house in North America, College Royal is just one example of what makes U of G unique.

This year’s organizers from all seven colleges across campus offer a program that blends tradition and innovation. College Royal is a University event. It’s also a Canadian event. As Canada’s Food University, the University of Guelph brings together research and scholarship to address a defining challenge of our time: feeding our growing world in sustainable ways.

I hope College Royal gives you a taste of how we’re helping to improve life at home, across Canada and around the world.

Thanks to students, faculty and staff who volunteer their time to this outstanding showcase. Enjoy your visit to our campus!

FRANCO J. VACCARINO, PhD, FCAHS, PRESIDENT & VICE-CHANCELLOR, UNIVERSITY OF GUELPH

Welcome to the 94th College Royal! This is by far the best weekend on campus and I can’t wait for you to enjoy it too! College Royal is a spectacular event and there is something here for everyone.

Make sure you head to Old Mac’s New Farm to see all the animals or stop by the square dancing competition to see some awesome moves. If you get hungry, be sure to go the Pancake Flip or go over to Food Science to grab a milkshake! There are also unlimited clubs, displays and demonstrations to fill your weekend.

I hope everyone has a great weekend here at College Royal, thank you for making this event an amazing success and wishing everyone the “Luck of the Royal”!

KAYLEY DENSTEDT AMBASSADOR, COLLEGE ROYAL 2018

HANNAH SWEETT PRESIDENT, COLLEGE ROYAL 2018

Are you a current UofG student? A future Gryphon? Interested in the fascinating research going on at the University of Guelph? Look no further than our New College Royal Lecture Series. Come hear professors from the University of Guelph and Ontario Veterinary College speak about what they are passionate about and the amazing research Guelph is contributing to the world of Agriculture, Engineering, Veterinary Science, Artificial Intelligence, Pedagogy and so much more. Everyone is welcome to come and listen and ask questions, we can’t wait to see you there!

Campus tours are aimed at prospective students who would like to see what being a student on the Guelph campus is all about! Visit general academic areas including classrooms, dining halls, the library, athletics and a student residence. These walking tours will be approximately 2 hours in length. Please plan to arrive at the table in the University Centre, main level, south doors, 15 minutes before the tour time - look for the Campus Tour banner.

The University of Guelph is celebrating the 50th annual Juried Art Show, the oldest student-run art show in Canada. This event showcases some of the finest artworks produced by the Studio Art students. The works are displayed throughout the building’s four floors. A variety of mediums are shown including drawing, painting, photography, printmaking, sculpture, video, and more.

It’s time to learn! Visit Cropscience to tour of the spaces used by the bean breeding program, seed lab, seed storage facility, growth rooms and the greenhouse. Participants will get to see the genetic variety there is for breeders to work with and will learn what it takes to breed new crop varieties by conventional means and by applying genomics and biotechnology. Stop by on Saturday for free popcorn and Sunday for candy floss! Make sure not to leave without taking a free baby bean, cat grass and entry into the prize draw!

All tours, shows and lectures are great for prospective students!
