College Royal has been an annual tradition at the University of Guelph since 1925 and has been credited the largest student-run open house in North America. The 99th College Royal Open House will be held March 18 & 19, 2023. The University opens its doors to over 20,000 visitors from the Guelph community, as well as many alumni and prospective students to take part in College Royal's Open House Weekend.

Over the course of the weekend, more than 20 events and competitions will take place including the popular livestock shows, dog show, art show and square-dancing competition. Throughout the 10 days leading up to Open House Weekend, students will participate in events, including the Flower Arranging Competition, Super Thursday, livestock clipping competition, all of which are long standing traditions of the Ontario Agricultural College.

As a completely student run, non-for-profit organization, we rely on the support provided by business and organizations within the community. We would like to take this opportunity to invite you to partner in making the 99th College Royal an experience to remember. We have created a document outlining our various sponsorship levels, each with differing monetary ranges and corresponding recognitions. If you wish to donate this year, we ask that you make cheques payable to: University of Guelph- College Royal Society
