Meet our Officer Team!

Megan Levesque
PRESIDENT
Hey guys! I’m Megan Levesque and I am the College Royal President this year. I’m really looking forward to this year’s College Royal! This will be our 99th year on campus, and I am excited to see what new life we can bring to this important tradition at UoG. We have a fantastic team of Officers and Appointed Executives that are ready to make this College Royal the best one yet. A big part of my role as President is overseeing the Officer and Executive teams to make sure everyone has what they need to accomplish their goals when it comes to planning Open House weekend and our 12 days of College Royal events.
If I could give incoming students one piece of advice, it would be to get involved. What better way to do that than with College Royal? Join us for our Executive elections on Tuesday September 13th and 20th at 5:30 PM to be part of the team planning this huge event. From club displays, art shows, livestock shows, and children’s activities there is truly something for everyone – and no shortage of ways to get involved. Not interested in being a part of our Executive team? No problem! We would love to see you out participating at one of our many events. Looking forward to seeing you around campus and at College Royal events to come!

Katie Voskamp
VICE PRESIDENT
Hello everyone, my name is Katie Voskamp and I am the Vice President for College Royal this year. I am very excited for the upcoming year and can’t wait to meet you all. I come from a cash crop farm in Huron County and am currently in my third year of the Bachelor of Science in Agriculture program, majoring in Crop Science. My role mostly involves recording detailed minutes at every Officer and Executive meeting and keeping an eye on the College Royal email. I am so excited to be on the Officer team again this year to help make the 99th College Royal the best one yet! We have some pretty exiting events being brought back or added to the 12 Days of events and I hope to see you all out either as an Executive member, event participant, or both! Hi everyone!
My name is Gracie Goodhill and I am this year’s College Royal Treasurer. I am in my third year of the Food and Agricultural Business (Co-op) program. I come from a cash-crop farm in Lambton County and can’t wait to educate students and the public about the agriculture industry during the 12 Days of College Royal. In my position I handle all the financial information. I create the budget that is viewed and followed by every member of the College Royal team. Although there are no Executive Members that report directly to me, I am the one who approves expenses and reimburses Executive Members when needed. I hope to see you all out at College Royal this year!
Emily Deklein

My name is Emily Deklein and I am a 3rd year student in the science in agriculture program at Guelph and plan to major in honours agriculture. I’ve grown up on a farm and have been involved in lots of agricultural opportunities such as 4-H which is where I decided to pursue a career in agriculture. I come from a small town called Mossley, Ontario where you blink driving through and you’ll miss it! When I’m not at school you could see me hanging out with friends or going to the gym! I’m looking forward to a great 99th College Royal and can’t wait to see everyone back at school!

Sarah Elliott
Vice President of Open House
Hello everyone, my name is Sarah Elliott, and I am your College Royal Vice President of Open House. I’m in my 4th year of the Bachelor of Science in Agriculture program where I am majoring in Animal Science. Unfortunately, I do not come from a farm, but I have been working in the ag industry, either on a dairy, beef, or poultry farm for the past 4 years now and I really enjoy it.
Part of my role as VP Open House is recruiting various university clubs from each of the colleges and helping them promote their club to the students at Guelph as well as the general public. Last year during Open House we had 45 different clubs with a booth spread throughout various buildings on campus. Our goal for Open House weekend is to get people to participate, gain new knowledge, as well as see what this amazing university has to offer. We encourage everyone to be part of this incredible event either through an executive position or through participation as it is an experience you will not forget.
Open House is a large weekend and therefore requires a large team to ensure the event runs smoothly. I encourage you all to consider being involved in College Royal! If you or your club is interested in being part of the 99th College Royal, please send me an email at cvpoh@uoguelph.ca!
